GRASSROOTS SEEDS

October 17, 2005 Edition

Hello All:

Some new changes are here for www.GrassrootsSeeds.com as I know have the ability to change the Hot Topics on the front page and add and remove links. I have added two new links to the links page one for The Conservative Voice, a site I highly recommend put out by Nathan Tabor, and one for TarHeels for Victory, a great site dedicated to supporting our troops. I am getting good comments about sticking mostly to one topic and sending out more newsletters that are shorter. Thanks to all who send feedback. Remember, if you want your comments published you need to give permission.

Check out www.grassrootsseeds.com for more stories than you get on the emails.

Morgan's Opponent Already at Work

Joe Boylan in Moore County has shown his courage by getting into the race to retire **Richard Morgan** from the NC House. This man needs our support and our money because he is really opening himself to personal attacks and retribution from the vindictive little man from Moore County. Actually Morgan has already publicly stated that he is ready for opposition and already has his people investigating his opponent to find anything he can against him. We will have more on Joe Boylan coming up but folks we need to send money and on the street help to help him defeat Richard Morgan. This is putting our efforts and money where our mouth is. We need to back up what we have said about Morgan and help get rid of him. His address is:

We also need to support the fund to take back the House so that as candidates are recruited there is money to help. That will go a long way to helping us recruit good candidates. This is important because we are already behind the eight ball with the districts drawn as they are. Remember if we do not get control back the Democrats will draw the lines again in 2010. Send money to: Boylan for NC House, PO Box 1794, Southern Pines, NC 28388. Joe's email is joeboylan@nc.rr.com.

Joe will speak to the Triangle West Republican Club in Chapel Hill at The Holiday Inn on Saturday November 12th at 9:00 AM. Meeting always ends right at 10:00 AM. Buffet Breakfast is available for \$11.00 or if you don't want a full breakfast it is \$5 for continental breakfast. Register at twgop.com or call Will Towne at 919-929-2749.

NCGOP Hall of Fame Dinner

Mark your calendars for **November 19th** for the NCGOP Hall of Fame Dinner. This is a great evening where worthy Republicans are inducted into the Hall of Fame. It is also a major fundraiser for the NCGOP. It will be held, once again, at the Embassy Suites in Cary. Last year we had about 350 people who attended but lets work hard and make that 500 this year!

All seven of our Republican U.S. Representatives from NC are Special Invited Guests.

Where do the nominees for induction into the NCGOP Hall of Fame come from, you ask? Each Congressional District submits five nominations. There are also three other awards – the **Charles Jonas** Award, the **J.E. Broyhill** Award, and the **John P. East** Award. This is a great night to honor our leaders who have brought us to where we are. There will also be a **Silent Auction** that is online at <http://www.ncgop.org/home/2005silentauction.asp> . Items will still be accepted. There will also be a **Walk of Fame** with history from the 13 Congressional Districts.

Questions or to get tickets call Jennifer Behr at NCGOP Headquarters. I look forward to seeing all of you there.

Keep the Faith.

God Bless All of You and God Bless America
